

Pricing & Guidelines

Menu Selection

- This menu features a varied selection of popular items. While they are suggestions, we are flexible and would be more than happy to design or theme a menu to suit your particular needs.

Menu Prices

- We can custom design any menu to fit your budget starting at 5.75 per person.
- Additional charges may apply for attendants. Menu prices may be confirmed up to six (6) months prior to the event upon signing a catering contract.

Payment

- Policy requires full payment in advance of the function. An advance deposit to 50% of the estimated total order is due 15 days prior to the event.
- The balance is due three (3) working days prior to the event, when the final guarantee is given.

Guarantee

- Confirmation of attendance (final guarantee) for each meal function must be received by noon three (3) days prior to the event. This figure may not be reduced. "Business days" are defined as Monday through Friday and are those of our suppliers, not ours.
- All events will be prepared to serve up to 5% (not to exceed 30 meals) above the final guarantee, with the same entree. If we do not receive a final guarantee in the time frame stated above then your expected attendance specified in the original order will be considered as your guarantee. Charges will be based upon the final guarantee or the actual number served, whichever is greater.
